**Facility Safety Management** is the DEFINITIVE SOURCE for reliable, up-to-date information designed to help guarantee proper training, safe maintenance practices and compliance with occupational safety and health laws. Our commitment to the safety industry is why FSM reaches decision makers with buying responsibility for personal protection equipment, safety training, industrial hygiene, fire safety, environmental compliance, and more. It is through this “commitment to excellence” that we have created the perfect platform for advertisers to market their products and services.

## EDITORIAL CONTENT

Readers of **Facility Safety Management** will find timely and important news about the businesses, government regulators and other professionals making news in the safety industry. They'll also find detailed information about matters of concern, such as Fall Protection, Ergonomics, Training, Lockout/Tagout, PPE, Fire Safety and Confined Space Entry. We regularly feature stories about new developments in equipment and standards to help readers keep their facilities and occupants in good, SAFE working order.

### SHOWCASE

Presents timely and topical reports about industry trends and technology for industrial safety and hygiene professionals.

### ENGINEERED SAFETY

Educates safety managers with information and techniques for complying with safety regulations and recordkeeping requirements.

### PERSONAL PROTECTION

Details proper use of up-to-date personal protective equipment with maintenance guidelines to reduce exposure to serious workplace injuries and illnesses.

### SAFE MAINTENANCE

Focuses on standards, regulations and best practices that ensure safe maintenance in industrial settings.

### SPOTLIGHT

Highlights the most concise and current information about tools, technologies and industry trends each month.

## SPECIFICATIONS ON POLICIES AND RATES

### Short-Rates:

In the event advertisers do not complete contracted schedules, they will be required to pay the difference between the original contracted price and the frequency rate for actual number of ads that were published.

### Liability:

Publisher is not liable for all content (including editorial and illustrations provided by an advertiser or agency) of advertisements and editorials published and does not accept responsibility for any claims made against the publisher. It is the advertiser's or agency's responsibility to obtain appropriate releases on any item or individuals pictured in an advertisement or editorial. Reproduction of Facility Safety Management in whole or in part without prior written permission from the publisher is prohibited.
